Chairman's Welcome

I would like to send the annual best wishes to all the Shropshire Clubs as they anticipate another season. As ever, we all look forward to a successful campaign and dream of promotion and a winning season. Whatever the outcome I trust you will enjoy your hockey and that games will be played in a competitive but fair manner.

England Hockey is now bracing itself for major change with the introduction of the Single System, and I extend the County's thanks to those who have spent a considerable amount of time planning the new Junior Development Centres and Junior Academy Centres.

Last year was a successful time for the County squads and I hope that they will continue to flourish. We are fortunate to have a small group of very committed people in Shropshire who continue to guarantee excellent opportunities and expert support to our youngsters and our senior squads. I wish them all well in 2008/09.

Finally, can I ask for your support with the County's activities? Can all clubs please make sure that they are represented at county meetings so that their opinions are taken into account when we have to make decisions that affect us all?

Best Wishes to all.

Rules

- Teams consist of eleven players plus subs and may include a maximum of two players of 15 or over, on 1st January 2009. Note the date. Players born 1994 or later are U15 and OK.
- The two overage players cannot be involved in any play in either circle. This means they can't play the ball when it is in the circle nor step into the circle. Nor can they take part in attacking penalty corners so should stand well out of the way over the 25yd line.
- If teams are mismatched we would encourage the stronger team to use their adults sparingly; adults should be used to spread the game and not to dominate play.
- Teams are required to bring their own umpires and it should be an ideal opportunity to develop new and/or young umpires. All games are to be the full 35 minutes each way.
- Please ensure that your teams are all dressed in the same matching kit. It is important to give a professional appearance and be a good advert for Shropshire youth hockey.
- All central venue pitches at Oakengates have been block booked. Please liaise with Dave Siddorn should you need to cancel an Oakengates game or find a spare slot. Other pitch bookings are the responsibility of first named team
- Teas will hopefully be provided by the first named team. **For games at Oakengates, the first named team should book teas with Isobel Tranter at St Georges on 01952 612911, after 6:30pm, not Tues, and no later than Thurs. The cost of approx £20 to be shared between the two teams and paid on the day.** It is hoped that teams will take advantage of this and not disappear off home straight after the game.
- Please ensure that results are phoned or e-mailed to Dave Siddorn before 6pm after the game, including the full names of goal scorers for both teams. Send results to Dave on 01691 653459 home answer-phone, 07917 025365 text/mobile or d.siddorn@btinternet.com
- Results sheets should be posted to Dave within 48 hours; 10 Hampton Rd, Oswestry SY11 1SJ. Results will be published on the Shropshire HA web site, www.shropshirehockey.org.uk

SHA Child Welfare

The SHA Child Welfare Officer (CWO) is responsible for ensuring that SHA fulfils its responsibilities to safeguard children involved in hockey in Shropshire. The CWO will be the first point of contact for members, volunteers, parents and children where concerns about children's welfare, poor practice or child abuse are identified.

We do not currently have an SHA nominated CWO. Dave Siddorn and Jenny Redford are covering the role and can be contacted on CW issues. Alternatively, contact our EH Development Officer, Nisar Chaudhry.
